VISION & MISSION

Vision

To be recognized as a stellar, commercial, corporate, dispute resolution and consultancy firm in Kenya and beyond.

Mission

To meet our client's needs and interests by providing top legal services.

Values

Our core values are Professionalism, Integrity, Accountability and Efficiency.

Our Services

Dispute Resolution

Omoro & Atieno Associates Advocates LLP excel in dispute resolution, offering expert guidance in negotiation, mediation, arbitration, and litigation across various areas, including breach of contract, shareholder disputes, corporate governance, regulatory investigations, banking, media, construction and Real Estate, among others. We have a team of qualified mediator and accredited as such.

Corporate & Commercial Law

Our dedicated team offers strategic counsel to navigate the complexities of business transactions, contracts, compliance, and other corporate affairs. With a focus on your business goals, we are committed to delivering tailored solutions that align with industry best practices and legal requirements. Additionally, we undertake the preparation of compliance manuals covering all processes in a client's business for internal, compliance or certification purposes. The rapid changes in our legislation on health, safety, environmental and compliance, the prudential guidelines in the financial sector, means that corporations have extra work to do just to be compliant, which Omoro & Atieno associates Advocates LLP will take care of on your behalf.

Employment & Labour Relations

We advise and act for employees and employers in all aspects of employment law including employment contracts, pay and benefits compliance policies and procedures, redundancy, business reorganization share schemes and incentives, pension schemes and provident funds.

Conveyancing & Real Estate

We conduct requisite searches on assets offered for sale, transfer or as security for lending. Prepare and register transfers and securities and offer advice and opinions on debentures, mortgages, charges, loan agreements, leases, transfers. We further offer advice on the available and optimal structures for real estate development and sales thereof. Assists landlords in the negotiation of lease with their tenants and prepares leases, surrenders of leases, assignment of leases, assignments of rental income.

The firm undertakes searches and due diligence on property and land, applying for and lodging caveats, cautions and prohibitions to protect client's interests; drawing and advising on powers of attorney; forming trusts and drawing trust deeds relating to land and property; assisting in probate and administration of estates of deceased persons.

Insurance

The Firm is involved in defending third party claims and recovery of third party outlays. Further in insurance, we advise clients and prepare legal and contractual documents covering underwriting, bonds, guarantees as well as re-insurance contracts. Furthermore, we prosecute insurance claims with the aim of achieving compensation for accident victims or other insured who have legitimate claims.

Taxation

Our team is competent and well conversant with taxation laws and regimes and seeks to legally reduce our client's tax liabilities by seeking and obtaining requisite exemptions and allowances permissible by the existing laws as may be amended from time to time. We provide legal counsel in appeals before the tax tribunals; advising on tax efficient vehicles such as limited partnerships and off-shore trusts.

Intellectual Property

Our intellectual property department is able to give practical solutions in a wide range of matters including patents, trademarks, copyright, industrial designs and other consultancy in regard to intellectual property rights.

The Firm undertakes various registrations of trademarks, renewals, and assignment for local and overseas clients under the Trade Marks Act and other International Treaties.

Criminal Litigation

We offer sober and sound advice in criminal matters. We get an array of instructions from professional, corporates and individuals who require legal assistance in criminal briefs as well as expert assistance from prosecution and police investigations.

When summoned by police to make a statement, our lawyers are always ready to assist in the preparation and ensure your rights are protected under the law. Further when required in court, we will ensure you're up to date with the court process and provide representation.

We are also able to watch brief in criminal cases on behalf of the victims. Watching brief entails representing the complainants or victims of a crime and ensuring that their rights are recognized, protected and upheld under the law.

Debt Recovery

The firm has added to the recovery rate in unsecured debts in particular with credit card companies, manufacturing, pharmaceuticals, and banks. Its methodology of personal visits, investigations and persistent follow up of debtors has not only increased recovery and turnaround but has also has been useful in gathering intelligence on debtors unavailable to traditional methods of just sending demand letters.

This sector supplements and compliments court action and has greatly increased both turnaround and recovery rate.
